

Quality Policy

B L Shipway is committed to exceed its customers, suppliers and employees' expectations consistently and reliably in all aspects and to maintain its position as a leading quality provider in the Fluid Power Industry.

Since 1953 B L Shipway has offered the best global brands and the most comprehensive range in South Australia, and has been accredited to AS/NZS ISO 9001 since 1994.

In order to achieve these objectives, we believe that adhering to AS/NZS ISO 9001 Quality Management Systems – Requirements, provides us with the best means of achieving and maintaining optimum levels of quality. Our commitment includes acknowledgment and compliance with all the applicable statutory and legislative requirements.

Accordingly, the management of B L Shipway requires all staff to:

- comply with the requirements of the Standard,
- continually strive to improve the effectiveness of the Company's Quality Management System, and
- be committed to the achievement of its Corporate Goals and Objectives.
